Day 1 - Day 5 **PATAGONIA, CHILEAN FJORDS, AND CAPE HORN**

Start your adventure in Chile's Patagonia region. Fly into Santiago and take a flight the next day to Punta Arenas where you will board the MS Midnatsol. Enjoy a welcome dinner on the ship where you will meet your guides and fellow passengers. The first few days of this journey will take you past Isla Tucker, which is a small island most famous for its Magellanic penguin colony, sea lions, dolphins, and birds. Cruise through the narrow Gabriel Canal with opposing mountains on each side. Explore Chilean fjords, including Garibaldi Fjord as a highlight and Garibaldi Glaciers. Disembark from the ship in search of sea lions, Andean condors and other birds. Also enjoy an Argentine wine tasting in the evening. If weather permits you will have the opportunity to disembark on Cape Horn.

Day 6 **AT SEA**

Today you cross the infamous Drake Passage towards Antarctica. Enjoy lectures throughout the day and relax as you prepare for the incredible White Continent. Other activities on the ship include a tango course.

Day 7 - Day 10 **ANTARCTICA**

During your time in Antarctica, you will enjoy plenty of shore excursions to see the incredible landscapes and spot cute penguins and fur seals. Also, spot wildlife from the deck - be sure to look for whales, ice bergs and glaciers.

Recap your time in Antarctica with your travel mates and recall the incredible exploration opportunities you had in Antarctica. Continue back towards Cape Horn.

Day 12 - Day 16 **CAPE HORN AND CHILEAN FJORDS**

Today you continue past Cape Horn into the Beagle Channel where you will visit Puerto Williams, a small town surrounded by mountains and ocean. As you continue back to Punta Arenas, enjoy more sights of Chilean Fjords. Enjoy your last evenings on the ship and reflect on your time.
