FALKLAND ISLANDS

The Falklands Islands are two large islands surrounded by little islands. As you travel west to the settled outposts in the Falklands, you will see family-owned farms that have kept alive for many generations. Watch as the sheep graze alongside colonies of albatross and rockhopper, king, and macaroni penguins.

The Falkland Islands also offer crystal blue skies, seamless horizons, and beautiful white sand beaches. Penguins will come close as you walk around the island, giving you a fantastic opportunity to take photos!
