ITINERARY

Day 1

ARRIVE IN BARILOCHE

Land at Bariloche airport and transfer to the 4-star Hotel Tronador situated on the banks of Lake Mascardi. Sit back and enjoy views of Mount Tronador, rising in the background against the smooth emerald surface of the lake and Patagonian forests. Browse the smorgasbord of activities to embark upon over the next few days. Please note that tours have to be booked and paid directly on the spot, and are not included in the rate.

Day 2

ACTIVITIES IN THE TRONADOR AREA

Today, enjoy the great outdoors and choose from an array of exciting excursions. Perhaps set out on dry land and see the region by horse, or stretch the muscles and limbs with some hiking, rock-climbing or biking. Or head to the river and lakes for a few hours of fishing, rafting or kayaking. Keen bird-watchers can spend time studying various feathered species. One of the most popular choices is the guided horseback ride. During this tour, choose a trusty steed and follow cattle trails through open plains and farms before eventually arriving at the formidable peak of Mount Tronador.

Day 3

DAY AT LEISURE IN THE TRONADOR AREA

After exploring the region's natural beauty, consider getting a taste of daily life on a local ranch. Visit the Puesto Cretón and try your hand at rounding up cattle, milking cows and gathering fruits and vegetables for the week's meals. There's also the option to spend a night on the farm in comfortable but rustic accommodation. Lunch on the farm includes a delicious *menú al disco asado*, barbecued meat cooked on a plow disk.

Day 4

DEPARTURE FROM BARILOCHE

On your final day, transfer back to the city of Bariloche and fly to Buenos Aires or to the next destination in South America.
