ITINERARY

Day 1

ARRIVE IN BUENOS AIRES

Arrive in Buenos Aires, Argentina's capital city on the banks of the Rio de la Plata. Buenos Aires is known as the Tango Capital of the World, and also as the Paris of South America. During your stay, you'll soon learn why this bustling metropolis has earned such nicknames. At the Buenos Aires International Airport (EZE), your guide and driver will greet you and take you to the 5* Hotel Abasto Plaza Buenos Aires, located in the Abasto neighborhood in downtown. The hotel was the first to have a tango theme, and has retained the elegant, old world charm of the city. Spend the evening at your leisure.

Day 2

BUENOS AIRES CITY TOUR

After breakfast in the hotel, enjoy a 3 hour Buenos Aires city tour, hitting many of the highlights. Your guide will take you to the 9 de Julio Avenue, the widest street in the world, and visit the Obelisk, which stands in the center. Also visit the Colon Theater, the Embassy of France, the financial district, the Plaza de Mayo, the Plaza San Martín, and the colorful neighborhoods of La Boca, San Telmo and Montserrat, Recoleta, and Palermo. Finally, visit Puerto Madero, Buenos Aires' port and waterfront, which is now graced with luxurious skyscrapers, a yacht club, a variety of first-class restaurants, and the cantilever Woman's Bridge. Spend the rest of the day at your leisure.

Day 3

EXCURSION TO THE TIGRE DELTA

After a day of sightseeing, escape from the city today and head for the Tigre Delta, north of the city on the Parana River. El Tigre is the town where the elite porteños (the residents of Buenos Aires) built their summer residences. Enjoy the cool breezes and natural scenery on a boat ride along the Parana River. Next visit the elegant residences in the northern suburbs, including San Isidro, and the Presidential Residence, the Quinta de Olivos.

Day 4

EXCURSION TO ESTANCIA OMBU DE ARECO, FIESTA GAUCHA

Today's excursion also gets you outside of the city, this time to an estancia, or ranch, where you can see how the gauchos of Argentina live and work. This estancia in the countryside will host a traditional asado barbecue for you, as well as plenty of yerba mate tea. Also enjoy watching folk dances and activities, such as horseback riding, carriage rides, and sheepshearing demonstrations. Then taste some pastelitos, traditional Argentine sweet pies. Transfer back to the hotel in the late afternoon.

Day 5

FREE DAY IN BUENOS AIRES AND TANGO SHOW

Spend the day at your leisure, and then head to the La Ventana Tango Club for a fabulous tango show and dinner. Listen to the Gran Orquesta de Juan D' Arienzo perform songs as professional tango couples dance the night away. Enjoy a 3 course meal with Argentine wine on your final night in Buenos Aires. Transfer back to the hotel at night.

Day 6

BUENOS AIRES ARGENTINA

After breakfast, transfer from downtown Buenos Aires to the Buenos Aires International Airport (EZE) for your flight home or to your next destination in South America.
