ITINERARY NEGRO RIVER CRUISE

Day 1

ARRIVAL IN MANAUS

Wednesday

Depart on to the Rio Negro and enjoy a snack and some fresh fruit juice as the boat heads upstream and the instructors begin a lecture on Amazon preservation and ecology.

After dinner, commandeer a canoe to explore hidden creeks and waterways for the chance to spot a caiman or a rare bird, and be sure to listen for the sounds of all the nocturnal animals just beginning their day.

Day 2

ANAVILHANAS NATIONAL PARK

Thursday

Set out early in a canoe to explore surrounding waters and look for fruit eating birds such as the parrot and toucan. After breakfast, take a jungle walk to discover many surprising fragrances in leaves, fruits of the nearby woods. Take a swim just before lunch and then prepare for Anavilhanas National Park, one of the world's largest fresh water archipelagos. Retake to the canoe in the late afternoon to explore the labyrinth of waterways in this wondrous nature park.

Day 3

AMAZONIAN CULTURAL EXPERIENCE

Friday

Wake up early and spend some time fishing for endemic fish, such as the famous piranhas. After breakfast, visit a Natives Community and search for Amazonian to learn about their local culture and view the plantations that make up a huge part of the income the community makes. After lunch head to a white, sandy beach to unwind and swim in the dark water. Explore by canoe and search for exotic wildlife in the afternoon. Lastly, dinner is served as you make way toward the Amazon River.

Day 4

JANAUARI ECOLOGICAL PARK & MANAUS

Saturday

Wake up to explore the Lago January Ecological Park. This is a prime location to observe wildlife and attempt to locate the majestic Victoria Regia. Enjoy breakfast as the vessel navigate to the Meeting of the Waters, the confluence of the light-colored Amazon River and the dark colored Negro River. Lastly, admire the fine views of the Manaus waterfront as you make your way back to the city.
