

IBEROSTAR GRAND AMAZON

Cruising the Amazon

4 DAYS / 3 NIGHTS

Iberostar Grand Amazon offers a journey around Rio Solimões, a grand sand-colored Amazon. The guests will land in the woods joined by a guide to explore this fantastic and exotic land. The cruise has got modern, relaxing rooms, an exclusive restaurant called Kuarup, and an outdoor pool among other facilities. All of these will guarantee a nice rest after a busy day exploring the Amazon.

It is possible to combine Rio Negro and Rio Solimões Cruises on a one-week journey.

ITINERARY RIO SOLIMÕES CRUISE

Day 1

DEPARTURE FROM MANAUS

Friday

Afternoon check-in at Port of Manaus, Capital City of the Amazonas.

Sailing down Rio Solimões, one of the affluents of the Rio Amazonas that has been named after the native tribes that lived in the area.

Sunset on the top deck with classical music. Welcome cocktail offered by the Captain with presentation of equipment on board and safety procedures in Salão Lua.

Day 2 **MANAQUIRI**

Saturday

Visit to a Caboclo (local people that have both Indigenous and European heritage) home to get to know their lifestyle, customs and culture.

Piranha fishing in Manaquiri area.

Boat ride around Manaquiri and observation of its flora and fauna.

Night boat ride to spot alligators and listen to the region's night sounds.

Day 3 **MANACAPURÚ**

Sunday

Early morning trip around the region of Manacapurú, ideal place and time for birdwatching and enjoying the moving sunrise-lit landscape.

Boat ride in the narrow streams and flooded forest, known in the region as Igarapés and Igapós in Manacapurú, where local people carry on their daily lives, especially fishing.

Jungle Trek in Manacapurú.

Boat rides through Lake Janauari's Igarapés and Igapós and visit to the shores on a floater. Local crafts available for purchasing.

Day 4 **ENCONTRO DAS ÁGUAS AND RETURN TO MANAUS**

Monday

Encontro das Águas (waters meeting) is a confluence between Rio Negro and Rio Solimões. The dark Rio Negro's waters and the sandy-colored Rio Solimões's waters run side by side without merging, creating a fantastic view.

Arrival at Port of Manaus.
