Meet your fellow travelers for a complementary caipirinha or other tropical drink before attending a Rodizio, an All-You-Can-Eat Brazilian Barbecue (included, might be served as lunch or dinner, on the 31st of Dec or 1st of Jan, according to availability).

## 2nd of Jan **RIO DE JANEIRO**

Christ the Redeemer keeps an eye on Rio from an elevation of 710m (2340ft). This afternoon board the trenzinho (cogwheel railway) up to the top of Corcovado Mountain for a bird's eye view of the center of the city from the center of the city! This evening, depart for home or your onward journey.

## 6th of Jan **TIRADENTES AND OURO PRETO**

A few minutes' drive brings us to the hilltop town of Tiradentes (lit. Tooth-puller), the most charming of colonial cities. Named after the martyr of the Inconfidência who was known for his dental skills, Tiradentes exudes a sense of another age.

The masterwork "The Prophets" by Aleijadinho (Brazil's Michelangelo) is the highlight of our stop in Congonhas. Chiseled out of soapstone by the artist without the use of his arms or legs, the sculptures bring the Old Testament figures to stirring life.

The 'Black Gold' of Ouro Preto (the largest deposits in the Western Hemisphere) financed Lisbon's glory as well as the English Industrial Revolution. At its peak, this town's population was twice New York's and five times Rio de Janeiro's! Dinner is included tonight in what was once 'the world's richest city'.

## 7th of Jan **OURO PRETO AND MARIANA**

Ouro Preto's churches and plazas have been witness to incredible wealth and bloody rebellion. Formerly known as "Vila Rica" - the name was changed by decree of Emperor Dom Pedro I, and Ouro Preto was declared an Imperial City.

The town of Mariana, Ouro Preto's quieter cousin just 12km away, offers a unique contrast. Take an adventurous visit into a former gold mine and shop for local arts and crafts.
