FULL-DAY EXCURSION TO VALPARAÍSO AND VIÑA DEL MAR

Explore the oldest port in Chile, Valparaíso, on a full-day excursion. Though no longer its largest port, it still retains its tremendous historical significance and beauty while also being the site of the Chilean House of Assembly and Senate. The city's upper and lower sections are connected via a network of sixteen funicular railways first built around the turn of the century during a period of growing prosperity. From Valparaíso, continue along the coast to the beautiful beaches of Viña del Mar which is also known as the Garden city for its many parks and green spaces.

Day 3

COLCHAGUA WINE VALLEY FULL DAY EXCURSION

Visit the world-famous Colchagua Wine Valley today, best known for its warm-weather red varieties including Carmenere, Cabernet Sauvignon, Syrah, Malbec and Merlot. Sip full-bodied reds in the picturesque setting of the Andes foothills. Stop by the Concha y Toro winery, a local favorite in the region and enjoy a wine tasting and tour. Absorb the beautiful scenery as you kick back and relax in Chile's wine country.

Day 4

TRANSFER TO PATAGONIA & DINNER

Fly from Santiago de Chile south to Punta Arenas, Chile's southernmost airport. Meet your local guide and discover the vast and wild beauty of the Patagonian "Pampa" on the way to Puerto Natales. Upon arrival in Puerto Natales, transfer to your hotel and enjoy a complimentary dinner.

Day 5

TORRES DEL PAINE NATIONAL PARK

Wake up early for a full day of exploring Torres del Paine National Park. Discover the highlights of the Park and encounter some unforgettable views of the Towers and the Torres Massif, Lago Grey and Grey Glacier. Follow your guide on a few short hikes to reach the most beautiful viewpoints of the Park and observe some of the diverse and fascinating wildlife. In the late afternoon transfer to your hotel for dinner and relax after an active day outdoors.
