ITINERARY 3-NIGHT ITINERARY

Day 1

ARRIVAL IN THE ECUADORIAN AMAZON

Sunday

Your journey begins in Coca, just a 30-minute flight from Quito, the Ecuadorian capital. Meet a representative of Anakonda at the Francisco de Orellana airport who will transfer you to the dock to board on a motorized canoe. Navigate for about one hour down Napo River, admiring the breathtaking landscape and feeling the energy of the Amazon, declared one of the seven natural wonders of the world.

Board M/V Anakonda Amazon Cruise, a luxurious vessel counting with spacious social areas and an astonishing observation deck ideal for taking in the rainforest and its endemic flora and fauna.

In the evening, take a walk to discover the movement of the nocturnal creatures, such as caiman alligators and night owls.

Day 2

PAÑAYACU RIVER DELTA

Monday

Sail down to the Pañayacu River Delta, where you will board a canoe to explore its biodiversity. There animals you can find include charismatic pink river dolphins, and adorable squirrel monkeys. Then, head to Pañacocha, a flooded forest where the fierce piranhas, carnivorous Amazonian fish, can be found. This area is also home to water monkey fish, locally known as arawana, and white caimans. Those who are feeling brave can take a swim in this lake.

Later, go to a nearby camping site to have a delicious Amazon-style BBQ. In the afternoon, do some exploration outdoor looking for monkeys and birds before returning to the vessel for dinner.

Day 3

PARROT CLAY LICK & MEETING WITH LOCALS

Tuesday

After breakfast, get ready to witness one of the most spectacular phenomena in this side of the Amazon, a parrot lick. Here, hundreds of colorful parrots and parakeets get together every day to lick the minerals found on the pools of mud. Some theories state that these minerals help the birds to neutralize the effects of poisonous fruits.

Afterwards, take a cultural tour to learn about the local community at the Sani Warmi Kichwa Interpretation Center. You will be welcomed by a group of women willing to share their ancestral customs, their handicraft and their history with you.

Have lunch and visit the Yakawsay Kichwa Interpretation Center to get more immersed in the lifestyle of the communities that live by the Napo River.

In the evening, take a walk to spot different animals that can only be seen during nighttime, and listen to the soothing sounds of the rainforest.

Day 4

RETURN TO COCA

Wednesday

Today, admire the Amazonian landscape one last time before making your way back to the town of Coca. Upon arrival, transfer to the airport to board a flight to Quito.
