

ECUADOR AMAZON ECO-LODGE NAPO WILDLIFE CENTER

Napo Wildlife Center - Tour Extension

4 DAYS / 3 NIGHTS

The Napo Wildlife Center in the Yasuni National Park, in Ecuador's Amazon basin, offers an authentic wildlife and nature experience, perfect for couples on a romantic honeymoon or families looking for some adventure. You can paddle down tranquil lakes and rivers, hike through terra firma forests, learn about the flora and fauna of the Ecuadorian Amazon, and go birdwatching and wildlife spotting. You may spot kingfishers, herons, monkeys, giant river otters, Saki monkeys, toucans, parrots, parakeets, and macaws. There is a parrot clay lick near the lodge, where you can spot parrots feeding on the riverbank - a whole flock of brightly-colored parrots within just a few meters! You'll also have the opportunity to visit a local jungle community.

You can extend your stay from 3 nights to 4 nights, allowing you to see more wildlife and explore further into the Yasuni National Park. You can also add on a tour of Quito.

Note: This is a tour extension, combine this lodge with one of our full package tours.

ITINERARY

The Napo Wildlife Center Lodge

AMENITIES & FACILITIES

The Napo Wildlife Center has the claim-to-fame of being the Ecuadorian Amazon's most luxurious jungle lodge. Decorated with traditional Kichwa architecture, the central dining hall features a bar, reading lounge, and a 50-foot high observation tower. There are 16 suites, each 450 sq feet, with king-sized beds and twin-sized beds. Each room is equipped with mosquito netting, ceiling fans, private bathrooms with hot water, and safe deposit boxes. The suites also have private verandas facing the lake. The lodge also features solar-powered, 24-hour electricity. Internet service is also available.
