

## AMAZON DELFIN II CRUISE

Peruvian Rainforest Cruise

### 4 DAYS / 3 NIGHTS

A 3-nights program aboard Delfin II Amazon Cruise offered during the Low Water or Dry Season, which lasts from May to November. The departure day is on Sunday, returning on Wednesday. It is possible to combine this with the 4-nights Low Water Season tour on a 7-nights program.

The native communities to visit may be in very humble conditions, so any help you can offer will be wholeheartedly appreciated. Kids love shirts, pencils, notebooks, and toys. Candies also bring them a great source of joy. Please bear in mind that changes and adjustments in the itinerary may occur due to weather conditions, river conditions, and/or airline issues. The use of kayaks will depend on the weather. Amazon Delfin Cruise fishing policy is in the form of catch and release.

**Note: This is a tour extension, combine this cruise with one of our full package tours.**

## ITINERARY LOW WATER SEASON, 3 NIGHTS ITINERARY

Day 1

## ARRIVAL IN THE AMAZON CITY OF INQUITOS

**Sunday**

Arrival at Iquitos Airport at late afternoon and transfer to the city of Nauta and its port. Embarkation on Delfin II Cruise to start off the journey down the Marañón River.

Overview of the schedule with the guide, to bear in mind the geographical, historical and natural elements to be seen on the road.

Welcome cocktail on the third deck made of exotic Amazonian fruits and pisco, Peru's wonderful national brandy liquor.

Day 2

## FUNDO CASUAL & DORADO RIVER

**Monday**

Funda Casual:

During the first morning aboard, it is recommended to wake up early to appreciate the beautiful areas of the Pacaya Samiria National Reserve. Early rising is always rewarding since wildlife is most abundant and active at dawn.

Fundo Casual jungle trail leads to the deep of the rainforest on terra firme (non-flooded forest), where the guide will join the passengers to explore the vast Amazonian flora and fauna.

Dorado River:

In-depth skiff exploration around Dorado River, where animals such as scarlet macaws, festive parrots, monkeys, and butterflies can be found.

Piranha-fishing, a delightful and challenging experience.

Night safari with the guides to look for caiman alligators and night birds.

Day 3

## ZAPOTA RIVER & SUPAY LAKE

**Tuesday**

Zapote River:

Skiff exploration and kayaking along the calm Zapote River waters. During the journey it is possible to see the prehistoric-looking iguanas and the active squirrel monkey troops.

Supay Lake:

Exploration across the Supay Lake, an excellent location to spot different animals from the rainforest. Those who might haven't been able to go kayaking in the morning, will have the opportunity to do so in the afternoon at this wonderful lake.

Day 4

## **PUERTO MIGUEL COMMUNITY, IQUITOS AIRPORT & CREA**

**Wednesday**

Puerto Miguel Village:

Visit to Puerto Miguel to meet the local villagers that have been living in Amazonia for generations. There, passengers will pass by a typical schoolhouse and go to a market with local crafts available for purchasing.

Amazonian Rescue Center (CREA):

Visit to the Amazonian Rescue Center (CREA). Here, passengers will get the chance to meet the docile and friendly baby and adult manatees, learn about them and their condition as endangered species, and even stroke and feed them. The center accepts donations to keep on working and helping the animals, so passengers should feel free to do it, if they wish. Transfer to Iquitos Airport. Assistance will be provided at the airport.
