Day 1

## ARRIVE IN BUENOS AIRES

### Tango Show & Dinner in the Birthplace of Tango Dance

Arrive today in the Argentine capital, Buenos Aires, where tango dancers seem to appear on every street. Check in to your hotel and rest. Then in the evening, head out to a tango dance club for an exciting tango dance show, including a 3-course meal and Argentine wine. What an incredible way to start your trip to South America!

Day 2

## BUENOS AIRES CITY TOUR & TANGO LESSON

The Buenos Aires city tour in the afternoon visits the barrio of San Telmo, the main residential area in colonial days, to the picturesque district of La Boca, 2 miles south of the main port area, on the west bank of the river Riachuelo. This former port from the turn of the century was settled by many Italians from Genoa who made their homes from corrugated iron sheets, painting them in bright, cheery colors. Along this colorful Caminito Street sit local artists, painting and selling their wares.

In the evening, enjoy a tango dancing lesson in Buenos Aires, the "Tango Capital of the World." Even if you're just a beginner, you'll have fun learning this Argentine dance with professional, helpful dance instructors.

Day 3

## GAUCHO ESTANCIA

Today, visit an estancia, a ranch where gauchos herd cattle and shear sheep. Enjoy a day in the country, riding in a horse-drawn carriage, lunching on a delicious barbeque asado meal, and seeing how Argentine gauchos work the land.

Each evening from day 1 to 3, continue with tango dancing lessons in Buenos Aires. Soon enough, you'll get the hang of the tango dance. Don your gown and tie your necktie, because it's tango time!

Day 5

## TRANSFER TO BARILOCHE & CAMPANARIO HILL

### The Aspen of South America

Have breakfast at your Buenos Aires hotel, and then transfer to the airport for the flight to San Carlos de Bariloche, situated in the Andes Mountains near the border with Chile. Once you arrive in Bariloche, your guide will greet you and take you to your hotel. In the afternoon, enjoy a half-day tour of Nahuel Huapi Lake, the gorgeous lake adjacent to Bariloche. You can view the lake, the city, the forests, and the surrounding snow-capped mountains from Campanario Hill. Take a chairlift ride to the summit and then soak in the breathtaking views.

Day 6

## TRONADOR MOUNTAIN & ALERCES FALLS TOUR

Today, you get to explore the scenic alpine beauty of the Andes Lakes District near Bariloche. First head to the Tronador Mountain, which boasts 3 peaks: Argentino (11,253 ft/3.410m), International (11,728ft /3.554m) and Chileno (11,319 ft/3.430m). Argentina and Chile share these mountain peaks directly on the border of the two countries. Then cross through lush forests, passing lakes and rivers, until you reach the Alerces Waterfalls.

Return to Bariloche in the evening.

Day 7

## ANDES LAKE CROSSING TO PUERTO VARAS

Set out this morning on the Andes lake crossing from Argentina into Chile. The lake crossing consists of a series of catamaran cruises and overland transfers, all within sight of spectacular volcanos, jagged mountains, and crystal clear lakes.
